**JOIN THE [NATIONAL WRAPAROUND IMPLEMENTATION CENTER \(NWIC\)](#)!**

LOVE WRAPAROUND?

HAVE EXPERIENCE WITH WRAPAROUND IMPLEMENTATION, EVALUATION, AND/OR WORKFORCE DEVELOPMENT?

The **University of Washington Wraparound Evaluation and Research Team (UW WERT)**, the accountability wing of the NWIC, is recruiting a high-level **Evaluation and Program Operations Specialist**.

The successful applicant will be located in our office in Seattle, WA, and will be responsible for managing the day to day operations of our team, and promoting high-quality wraparound world-wide. Specific duties include:

- Manage upkeep and dissemination of the measures of the Wraparound Fidelity Assessment System (WFAS; see: <http://depts.washington.edu/wrapeval>).
- Manage relations with 100+ states and programs nationally that license tools of the WFAS and/or receive implementation support from NWIC
- Evaluate systems change progress, wraparound implementation, fidelity, and outcomes being achieved by 10+ states receiving implementation support from NWIC
- Oversee development of our ambitious new online WFAS data collection and reporting and wraparound evaluation management system, provisionally titled **WrapUP!**
- Supervise Research Assistants and undergraduates working with UW WERT
- Manage local and national evaluation contracts and deliverables
- Maintain UW WERT communications, social media, website, etc.

Qualifications include:

- Minimum of five years' experience with wraparound and/or children's behavioral health systems of care
- Fluency with evaluation, data, and data analysis
- Excellent oral and written communication skills, including ability to independently design and develop reports and reporting templates
- Experience managing complex programs or projects
- Experience managing multiple staffpersons and working as part of a team
- Experience designing and/or managing evaluation measures and/or web-based data systems a plus
